KATIE CLODE

Venture Christian Academy

I created print and digital designs for Venture Christian Academy, a K – 8th private school. These designs include fliers, stickers, and email graphics.

KIDS AGAINST HUNGER
November 7

All students grades 2–8 will be helping to pack 30,000 meals for families in countries with tremendous food instability. Our little ones will be drawing pictures and writing letters to the children who will be receiving the meals. We are partnering with a local organization called Kids Against Hunger who will distribute the food internationally.

CITYTEAM CHICKEN DRIVE
November 7

We are partnering with CityTeam to provide Thanksgiving dinner for families in need. Why chickens? Because the community we are serving predominantly serves chicken for Thanksgiving dinner, so this drive meets the needs of this community in a way that is more culturally appropriate. Please plan to bring a frozen chicken on to afternoon pickup on Friday, November 7th!

OPERATION CHRISTMAS CHILD
November 17 – 21

During the week of November 17–21, we will be collecting Operation Christmas Child gift boxes to share the Gospel and provide presents for children around the world, many of whom have never received a Christmas present in their lives. We will provide information about what you can include in the box so you can shop with your children and teach them the joy of giving and sharing the love of Jesus with the world!
